**COMMENTS**

Clear Channel Broadcasting Licenses, Inc. ("Petitioner"), licensee of Station WEGR(FM), Memphis, Tennessee, by its counsel and pursuant to Section 1.415 of the Commission's Rules, hereby submits its Comments in the above captioned proceeding. *See Notice of Proposed Rule Making*, ("NPRM"), DA 05-749, released March 23, 2005. In response to the petition, the NPRM proposes the reallocation of Channel 274C1 from Memphis, Tennessee to Arlington, Tennessee, as that community's first local transmission service, and the modification of the license for Station WEGR(FM), accordingly. The proposed reallocation will not deprive Memphis of local service because numerous AM and FM stations would remain licensed to the community.

The Petitioner hereby reaffirms its interest in providing a first local transmission service to Arlington, Tennessee, as stated in the petition. If the petition is granted, Petitioner will file an application for Channel 274C1 at Arlington, Tennessee, and will construct the facilities if its application is granted. As stated in the NPRM, in order to accommodate the proposed change of community, the Petitioner proposes to change the reference coordinates for vacant Channel 274A at Saint Florian, Alabama.<sup>1</sup>

<sup>1</sup> Yesterday, the FCC released the *Report & Order* in MB Docket 04-80 in which it denied the petition of American Family Association to reserve Channel 274A for noncommercial educational use. (DA 05-1305, released 5/9/05.) This decision does not affect the need to change the reference coordinates for the vacant allotment at Saint Florian to accommodate the proposed allotment of Channel 247C1 to Arlington, Tennessee, herein.

Accordingly, Clear Channel Broadcasting Licenses, Inc. urges the Commission to grant the petition.

Respectfully submitted,

CLEAR CHANNEL BROADCASTING  
LICENSES, INC.
